

**REMARKS**

Applicant has reviewed and considered the Final Office Action dated May 5, 2005. In response thereto, the title of the application is amended, and a terminal disclaimer is submitted herewith to obviate the judicially created doctrine of obviousness-type double patenting rejection. Claims 31-72 are pending in the application.

**Objection to the Title**

The Examiner objected to the title as being not descriptive. The title is now amended generally in accordance with the Examiner's suggestion.

**Nonstatutory Double Patenting Rejection**

Claims 31-72 were rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-18 of U.S. Patent No. 6,678,116. A terminal disclaimer is submitted herewith to overcome this rejection.

Conclusion

This application now stands in allowable form and reconsideration and allowance are respectfully requested.

If a telephone conference would be helpful in resolving any remaining issues, please contact the undersigned at (612) 752-7367.

Respectfully submitted,
